

Vida en Ecuador (Life in Ecuador)

Greetings from the Millers in South America!

Thank you for your prayers!

◇ We had the joy of having Brad's mom, brother, Scot, his wife, Robyn and their daughter, Whitney, visit us for a week at the beginning of April, including Easter Sunday. This was Alice's 7th visit and she does so well to travel to visit us. At 86 we are aware that every visit might be the last one and try to make the most of having her with us. It was the rest of the groups 1st visit and it is always fun to share our lives with people we love.

◇ Less than 24 hours later, again to pick up a team Woodbury Lutheran, led by whom we have known since was a participant on many that we led while serving at On the team were many ones! We had a great week of ministry together as they served with each of the ministries of Youth World.

we were at the airport from our sending church, Pastor Tom Pfothenauer, he was 10 years old and short term experiences Woodbury Lutheran!! dear old friends and new

◇ Praise God with us that Sarah got a job at Children's Hospital-Los Angeles (CHLA) as a Patient Care Assistant working nights. What an answer!! She worked her first 12 hour shift last night (April 30) and will be working full-time over the summer and part-time until she graduates with her BSN (Bachelor of Science in Nursing) in December. She has one final next week completing her 4th year of study.

◇ We are filled with gratitude as we watch Hannah prepare for her summer serving in China with Royal Servants International (Reign Ministries). She will be teaching English as a Second Language in public high schools, building relationships with Chinese students her age, hoping to demonstrate the love of Jesus and have the opportunity to explain to them the hope that is within her (Jesus). She is raising financial and prayer support and close to her goal, receiving so many encouraging demonstrations of love and support for what God has called her to. If you would like to pray for her and get her updates, email her at hbmcutiepie@hotmail.com.

Hannah's Varsity Girls Basketball Team after winning their league championship last week (Hannah is #7).

Please pray!

◇ THIS WEEKEND (April 30-May 2) as the 13th Annual Youth Workers Convention is taking place. We were with them last night, praying God's truth and power to renew them for life and ministry. Pray for these youth leaders and our Youth World team members who are leading and serving them this weekend.

◇ THIS WEEK (May 2-13) as we travel to Turkey for our mission's Bi-annual International Leadership Forum. This is a gathering of about 200 International Teams' leaders from around the world in which we receive encouragement, training, networking and vision for the future. We will be leading two workshops and a Forum on Youth Ministry during this conference. Pray for our security as we gather in a country that is not excited about the work that we do.

◇ THIS MONTH as we continue to seek God about His calling on our lives for the future and walk through an intentional process of discovering His will. As Hannah graduates from High School in about one year, we are wondering what God has for us next...to continue in ministry with Youth World or to make a change to something different...in North America or elsewhere in the world. You are a vital part of our ministry. We could not continue here without your financial support and prayers. Please pray that God's will be clear as we make decisions. As a member of our team", please feel free to share any feedback you may have about this with us.

We're grateful for each one of you!

Love,
Brad, Sandi, Sarah and Hannah Miller
